

Guardians of New Zealand Superannuation - Hospitality Register 1 May 2012 – 30 June 2012

As outlined in the Guardians' Code of Conduct, receiving hospitality is appropriate in some circumstances. These circumstances include:

- Incumbent investment managers' client functions where accommodation is offered to all clients;
- Meals and/or accommodation provided as part of business-as-usual work with incumbent investment managers; and
- Relationship-building with professional advisers, or other service providers.

Participating in industry networking functions is also an appropriate and necessary part of our work.

Guardians employees are not permitted to accept hospitality during a tender, due diligence, procurement or appointment situation.
