# **Special report on the *Review briefing on the 2023/24 annual review of the Guardians of New Zealand Superannuation***

---

On 25 June 2025, we presented our report on the review briefing on the 2023/24 annual review of the Guardians of New Zealand Superannuation.

We included the following sentence on page 7 of the report, in relation to the Guardian's relationship with Māori:

They also said their relationship with local iwi was a large part of why they did not invest in an offshore windfarm in the South Taranaki Bight.

We wish to correct this sentence to the following:

The Guardians' relationship with local iwi was a large part of why they did not participate in the Government's fast-track process for a proposed offshore windfarm in the South Taranaki Bight.

We apologise to the Guardians for this error and recommend that the House take note of this report.
